Start time: 7:00 pm
Stop time: 8:00 pm

Call to Order, Pledge of Allegiance: Smith.

Invocation: Horner.

Quorum: Stanley confirmed.

Minutes: June 3 Minutes forthcoming.

President's remarks:

- Smith delivered his remarks in New Business.

First Vice President's remarks:

- Havlovic reported his attendance at the National Congress. New national officers were sworn in. There were a number of chapters that received awards. Is WRSSAR submitting all of the activities accomplished by our chapter? WRSSAR should consider sending someone to the national congress if for nothing more than networking. There was a discussion about the appropriate person who would be a delegate: likely a member of the Board. For the upcoming WRSSAR picnic it looks like we should have 25 people attending. A speaker for George Washington Day is sought; suggestions will be appreciated.

Treasurer's Report:

- Horner reported a total of \$1,190.59 (\$490.59 at Dollar Bank; \$200 in petty cash). His report included a recapitulation of all transactions during 2025.

Registrar's Report:

- Rezie reported that he is awaiting the transfer of a compatriot from Virginia.

Veterans Committee:

- Riley reported that the Color Guard was present at the Rock Hall of Fame on June 13 for a naturalization ceremony. Monthly at the Western Reserve there is a ceremony of rifle salute.

New Business:

- Smith reported that information in the Centennial Register, published in 1992, is being placed into a database. Research of descendants of Founding Member is proceeding.

- Hoon will be talking to existing Board members about their positions. In any event he will need three trustees to replace Ross, Watkins and Kertes.
- The next meeting will be held at the Union Club, on October 7, starting at 11:45 am.

Benediction: Horner.
